

The White Horse Inn: Supporting Seagrave

During these incredibly difficult and isolating times, our pub team want to support you, our villagers, as much as we can. Our new takeaway menu, below, will continue to run, even if the government decides to close pubs as meeting places in the short-term (as it stands, the pub is currently open for business as usual!).

Please get in touch if you're running low on any household items – we have regular wholesale deliveries and may be able to help. Our staff are also happy to collect and deliver supplies, including prescriptions, to your doors. Your support has been invaluable to us over the years – this is the least we can do for you all.
